

EMS LIBRARY

All video unless stated otherwise

To All EMS Training Officers,

The Suffolk County Emergency Medical Services Division keeps a library full of various DVD's, VHS tapes and materials that you can borrow for department trainings for non-core CME credit.

Please call Ellen Komosinski (Tuesday-Friday, 3pm to 11pm), at (631) 853-8315 or email her at ellen.komosinski@suffolkcountyny.gov to make an appointment to come to the SC EMS Division to sign out the various materials that the Division has available.

“Loan-outs” are for a period of **one (1) week only**. All “loan-out” materials must be returned within the designated period or you will forfeit your ability to borrow any materials in the future.

Please be aware that we are continuously adding to our library. If we do not have an item that you are looking for, we can make every attempt to obtain it.

Please review the list of materials that we currently have available for loan-out in the EMS Library.

Demar Learning Box

Managing the Emotional Aftermath
