

SCCC EMT COURSE REGISTRATION FAQ'S

SCCC has EMT Basic (Emergency Medical Care: HSC126) courses beginning the Fall 2026 semester on August 26, 2026 for Day and Evening Classes.

The EMT course is 7 college credits and if you are a part time student you will pay the tuition by the credit. The current tuition and fee rates can be found here:

<https://www.sunysuffolk.edu/apply-enroll/tuition-and-fees/index.jsp>

NOTE: If you are a member of a Volunteer EMS/Fire Agency with a NYS DOH Agency Number your **agency** may submit a voucher to NYSDOH for most current reimbursement rate. This may be completed upon successful completion of the course (including passing the NYS Examination process). **There is no tuition waiver for members of agencies.**

You may register beginning the 6th of April (if you are not eligible for priority registration) in person at any campus registrar's office or by completing the information found here:
