

Sadly,

September 11th

of this year

Is the 25th anniversary of the tragic events that has left an everlasting wound on the heart and soul of our nation. On that sorrowful day, 2996 Americans of all backgrounds were killed. Since then, thousands of our fellow Americans have died and unfortunately will continue to suffer and die today and tomorrow.

As discussed and approved at the most recent meetings of the FRES commission and the Southampton Fire Chiefs Council, I am organizing the simulation activation of the sirens of ALL the Fire Departments, the Ambulance departments and EMS to commemorate and reflect upon the events of this BLACK anniversary. I am asking ALL agencies in Suffolk County to SIMULTANEOUSLY activate their sirens for 20 seconds (9+11) at the time of each major event of that painful and horrific day.

8:46 AM NORTH TRADE TOWER IS HIT

9:03 AM SOUTH TRADE TOWER IS HIT

9:37 AM PENTAGON IS HIT

9:59 AM SOUTH TRADE TOWER IS COLLAPSES

10:07 AM FLIGHT 93 CRASHES IN PENNSYLVANIA

10:28 AM NORTH TRADE TOWER COLLAPSES

I hope and pray that this event will remind our communities of this horrific day and give pause to reflect. I thank ALL of you for your support and hard work to make this remembrance happen.

NEVER FORGET
